Subject: Recommendation Letter

I am writing this reference at the request of John Cruz who is applying for the graduate school at Wayne State University.

I have known John for two years in my capacity as an instructor at Baker College of Clinton Township. John took computer science courses from me and earned superior grades in those courses. Based on John's grades, attendance and class participation, I'd rate John's academic performance in my class as superior.

In conclusion, I would highly recommend John Cruz for this degree. If his performance in my class is any indication of how he will succeed, John will be a positive addition to the job. If you should need any additional information you can feel free to contact me at 586-790-9127 or via email at mahir.awrahem@baker.edu.

Sincerely,

Mahir Awrahem
Computer Science Instructor
